EDUCATION

- Graphic Era Hill University** 2022-present
B.tech in Computer Science and Engineering CGPA/Percentage: 7
- ST. Theresa Sr. Sec. School Kathgodam** 2022
12th, Central Board of Secondary Education CGPA/Percentage: 82%
- ST. Theresa Sr. Sec. School Kathgodam** 2020
10th, Central Board of Secondary Education CGPA/Percentage: 72%

PROJECTS

Water Quality Analysis

Mar, 202 - May, 2023

- Developed a machine learning model using python - This machine learning model takes various physical and chemical features present in water and analyze whether the water is portable for drinking or not using various algorithms such as Random Forest Classifier, XGB classifier, hyperparameter tuning resulting in an accuracy of 80%.

Codefolio

Nov, 2023- Feb, 2024

- Developed a web-based platform for programmers to share their code, experiences, and learning journeys. The platform enables users to create profiles, post code snippets, write blogs, and interact with the community through comments and likes. Built using modern web development technologies.

Hotel Management System

July, 2022 - Oct, 2023

- Developed a Hotel Management System using Java Core and SQL to streamline front desk operations, including guest check-ins, check-outs, room reservations, and customer record management. The system featured an intuitive interface for efficient handling of data and ensured secure, scalable, and reliable database management, enhancing overall operational efficiency and customer service.

Mini Compiler

April 2025 - June 2026

- Developed a web based online compiler that allows user to write ,compile and execute code in C++, Java and Python. Developed using modern web development technologies

Expense Tracker with AI Trip Planner

April 2020 – June 20206

- Developed a web based expense tracker using modern web development technologies and MongoDB which let us manage and track our monthly expenses with Ai trip planner which let us manage our trip under a certain budget and with certain number of people.

CLI todo list

April 2026– June 20206

- Developed a command line interface todo list application made with goLang which let us add, delete and update the tasks.

TECHNICAL SKILLS and INTERESTS

Languages: C, C++, Java, Go lang, HTML ,CSS , JavaScript

Developer Tools: Visual Stdio ,Intelij idea

Database: Oracle MySQL, MongoDB

Coursework: Data structure and algorithm, Operating System

Areas of Interest: Web Development , Machine learning, Software Engineering

ACHIEVEMENTS

- **Leetcode ranking** Amongst top 50% coders on Leetcode (A platform for practicing Coding skills).
- **24 hour hackathon winner** organized by tech club of graphic era hill university haldwani campus
- **Member of university football team**
- **winner of science exhibition** orgainzed by graphic era hill university haldwani campus.
- **Runner up in Spardha** a nation level inter college football tournament

- **Winner of gehu league** inter department football tournament organized by graphic era hill university.
- **Winner of Chancellor's cup 2025** 5-a side football tournament organized by graphic era hill university
